## 2nd-4th of July 2014

Dear colleagues,

At Malta FORUM we agreed in EURIPA Executive to submit a joint **abstract for the Lisbon conference**, 2nd-4th of July 2014 <http://www.woncaeurope2014.org/> .

The abstract submission deadline is **Dec 15th**, so we have to be quick at this!!!!

The topic that we have decided is:

### **Developing leadership in Rural General Practice**

Please if you are interested or you know someone who could be, please contact me or your VdGM Representative as soon as possible! I have to send our proposal in less than 15 days in order to discuss it again at EURIPA's Executive.

If have any other idea related to EURIPA, please do not hesitate to contact me, your thoughts are more than welcome!!!!

Kind Regards,
